Nature of Complaint:

*****L-00000A-06-0295-0130*****

Customer called about the article in the AZ Republic on 5/19 regarding the proposed power line from Palm Springs, CA to the Palo Verde plant.

Customer is concerned about the effect on the AZ consumer. She thinks that APS was granted the 2 recent increases so it could participate in the building of this line.

Customer does not want the line built if it is going to cost the AZ consumer.

End of Complaint

Utilities' Response:

Investigator's Comments and Disposition:

Advised customer that I would enter her comments for the record and with the Docket in this matter. I thanked her for calling the Commission and letting the Commissioners know her thoughts about this case.
