IN THE MATTER OF THE FILING BY
ARIZONA WATER COMPANY OF
REVISED TARIFF NO. TS-275,
TEMPORARY SERVICE

W-01445A-06-0331

REVISED CERTIFICATE OF FILING FOR
REVISIONS TO TEMPORARY SERVICE
TARIFF, TARIFF NO. TS-275

On May 17, 2006 Arizona Water Company, an Arizona public service corporation, (the "Company") pursuant to the provisions of A.R.S. §40-367, tendered for filing with the Commission its revised Tariff No. TS-275, Temporary Service. The Company's certificate of filing presented the Company's reasons for filing the revisions, and scheduled Tariff No. TS-275, as revised, to become effective thirty (30) days after the date of filing, pursuant to A.R.S. 40-367.

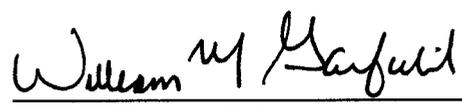

After the May 17, 2006 filing the Utilities Division Staff informed the Company that the processing of the Company's request would be aided by a revision to the Company's filing request. For that reason, instead of specifying and scheduling Tariff No. TS-275, as revised, to become effective thirty (30) days after the date of filing, the Company now requests, instead, that the Staff take steps to have the Company's request for approval herein be considered by the Commission at its first open meeting in June 2006, with an effective date of July 1, 2006.

Finally, the Company is again attaching to this Amended Certificate its revised Tariff TS-275, in which the revisions are marked pursuant to A.R.S. §40-367D.

Temporary water service provided directly from public fire hydrants is subject to interruption or suspension without advanced notice during times of shortage, peak demands, low pressure, or other conditions determined by the Company, in its sole discretion, to have the potential to adversely affect the safety and health of the Company's permanent customers or the general population.
