IN THE MATTER OF THE APPLICATION OF ARIZONA WATER COMPANY, AN ARIZONA CORPORATION, TO EXTEND ITS EXISTING CERTIFICATE OF CONVENIENCE AND NECESSITY IN THE CITY OF CASA GRANDE AND IN PINAL COUNTY, ARIZONA

DOCKET NO. W-01445A-06-0199

IN THE MATTER OF THE APPLICATION OF PALO VERDE UTILITIES COMPANY FOR AN EXTENSION OF ITS EXISTING CERTIFICATE OF CONVENIENCE AND NECESSITY.

DOCKET NO. SW-03575A-05-0926

IN THE MATTER OF THE APPLICATION OF SANTA CRUZ WATER COMPANY FOR AN EXTENSION OF ITS EXISTING CERTIFICATE OF CONVENIENCE AND NECESSITY.

DOCKET NO. W-03576A-05-0926

**MOTION TO EXCLUDE
PROPERTY OF CHI
CONSTRUCTION COMPANY
FROM ARIZONA WATER
COMPANY'S REQUESTED
EXTENSION AREA**

(ORAL ARGUMENT REQUESTED)

CHI Construction Company ("CHI" or the "Company") respectfully requests that its real property be deleted from the requested extension area in Arizona Water Company's ("AWC") application (the "Application") to extend its existing Certificate of Convenience and Necessity ("CC&N") in these consolidated dockets. On April 28, 2006, CHI filed a Motion to Intervene in these consolidated dockets, and in a Procedural Order issued May 15, 2006, CHI was granted intervention.

I. BACKGROUND.

CHI is developing a large master planned community known as Legends on real property that the Company owns in Pinal County, Arizona (the "CHI Property"), which real property is

1 described in the Special Warranty Deeds attached hereto as Attachments "A" through "K." The
2 CHI Property includes a combination of: (i) land which is currently uncertificated for water
3 service (the "Uncertificated CHI Property"); (ii) land within the water CC&N of CP Water
4 Company; and (iii) land within the water CC&N of Francisco Grande Utilities Company. A
5 majority of the land which comprises CP Water Company's CC&N (estimated to be
6 approximately 1,320 acres) is owned by CHI. The CP Water Company has filed a separate
7 motion to exclude its certificated territory from AWC's requested extension area in these
8 consolidated dockets. AWC has not sought to include the certificated territory of Francisco
9 Grande Utilities Company in the requested extension area. Thus, the subject of this motion is the
10 Uncertificated CHI Property which is included within AWC's requested extension area.
11 However, CHI supports the motion filed by CP Water Company.

12 **II. THE UNCERTIFICATED CHI PROPERTY SHOULD BE DELETED FROM**
13 **AWC'S REQUESTED EXTENSION AREA.**

14 On March 29, 2006, AWC filed with the Arizona Corporation Commission
15 ("Commission") the Application to extend its CC&N to provide public water utility service
16 within the City of Casa Grande and various parts of Pinal County, Arizona (collectively, the
17 "Extension Area"). The Extension Area includes the Uncertificated CHI Property and the
18 certificated territory of CP Water Company. However, CHI has not requested water service from
19 AWC, does not want water service from AWC, and objects to the inclusion of any portion of the
20 CHI Property in the Extension Area.

21 **A. CHI Has Not Requested Water Service from AWC.**

22 AWC has requested the addition of more than 69,000 acres to its CC&N. Yet, AWC
23 submitted only five requests for service addressed to AWC totaling less than 200 acres. While
24 AWC submitted copies of an additional 52 requests for service that were addressed to the Global
25 Utilities totaling some 19,373 acres, this still leaves nearly 50,000 acres (or approximately 78
26 square miles) which have no request for service, including the Uncertificated CHI Property. *See*
27 *Letter from Mike Patten to Director Ernest Johnson dated April 7, 2006, Docket No. W-*
28

1 01445A-06-0199. AWC's request for such an enormous extension of its CC&N without
2 accompanying requests for service is unprecedented in the history of Arizona.

3 AWC's Application contravenes a well-established Commission policy of requiring
4 requests for service before extending a CC&N. *See* Decision 59396, Docket Nos. W-02074A-95-
5 0103 (Nov. 28, 1995) (limiting Beardsley Water Company's CC&N extension to that area where
6 the company had requests for service only); Decision 68453, Docket Nos. W-04264A-04-0438 et
7 al. (Feb. 2, 2006) (determining that it was in the public interest to limit AWC's CC&N extension
8 to include only those areas where it had received requests for service); Decision 68607, Docket
9 No. W-01445A-05-0469 (Mar. 23, 2006) (excluding Parcel 2 from AWC's extension area
10 because the owner revoked his request for service and AWC honored that request). Based on the
11 same reasoning that is set forth in the foregoing cases, the Uncertificated CHI Property should be
12 excluded from AWC's requested Extension Area.

13 Moreover, AWC's Application is contrary to the public interest because it forecloses the
14 benefits that accrue to customers when multiple service providers compete for the CC&N to
15 serve an area. Such benefits include the potential efficiencies of water and sewer service
16 provided by integrated utilities (which AWC cannot offer) and innovation in technology which
17 naturally results from multiple providers competing for a CC&N to serve an area. Perhaps more
18 importantly, the grant of AWC's request would establish a water provider for the Legends
19 development without addressing sewer service. CHI may find it difficult or even impossible to
20 find a stand-alone sewer provider to serve the CHI Property if AWC is certificated as a stand-
21 alone water provider. The Commission should consider water and sewer service in concert when
22 addressing requests to extend water company CC&Ns. The AWC Application fails to address
23 sewer service at all.

24 **B. Approval of AWC's Requested Extension Area Will Split the Legends**
25 **Master Planned Development Among Various Providers.**

26 Another important deficiency with AWC's Application is that if granted, it will establish
27 multiple water providers operating in the same master-planned development. This is
28 unacceptable to CHI. CHI is pursuing a global strategy for integrated water and wastewater

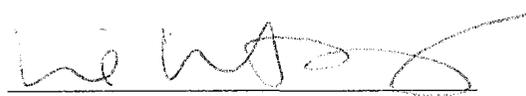

1 service for the Legends master planned development. An application at this time by a water
2 provider is premature. Once CHI has developed its strategy for providing water and wastewater
3 service to Legends, CHI will make a request for service to the appropriate providers.

4 **III. CONCLUSION.**

5 CHI Construction Company respectfully requests that the Commission grant this motion
6 and issue an order excluding from AWC's requested Extension Area any CHI Property (as
7 described in the Special Warranty Deeds attached hereto as Attachments "A" through "K") which
8 lies within the Extension Area. Further, CHI requests that the Commission's hearing division
9 schedule oral argument on this motion at the earliest possible date.
