Re: Avra Water Co-op, Inc. Docket No W-02126A-06-0234: Insufficiency Response

Dear Mr. Ronald:

Your e-mail to me on May 31, 2006 requested that I docket the Insufficiency Response addressed to Jim Dorf dated May 17, 2006. Please be advised that letter was docketed on June 1, 2006. Your e-mail also requested that we reconciled the apparent differences in the Water Use Data Sheet provided with the Application compared with that submitted in the Company's 2004 and 2005 Annual Reports. Attached hereto is a corrected Water Use Data Sheet.

The differences in the Reports were caused when the Application Data Sheet was prepared utilizing the Company's unadjusted billing software data. This resulted in a mismatch of pumping and consumption data. The Annual Reports, and the attached Data Sheet, appropriately match the monthly data.

In the event you have any questions regarding these matters please do not hesitate to contact the undersigned.

Sincerely,

Richard L. Sallquist
