J. Late Payment Charge 1.50%^{4 5}
Per Month

⁴ Bills for utility services are due and payable when rendered. Any payment not received within fifteen (15) days from the date the bill was rendered shall be considered delinquent and subject to the termination policy set forth in the Company's rate tariff. All Late Payment Charges shall be billed on the customer's next regularly scheduled billing. If the customer fails to pay the Late Payment Charge by the due date on the next billing, the customer will receive a ten (10) day termination notice. If the customer does not pay the Late Payment Charges by that date the service will be terminated. Service shall be terminated only for that service for which the customer is delinquent or is in violation of other Tariff or Rule provisions. All customers whose service is terminated for failure to pay the Late Payment Charges are subject to the Company's reconnection charges set forth in the Company's tariff.

⁵ This charge shall not apply if the customer has arranged for a Deferred Payment Plan.

IV. PERMITTED COSTS

- A. Costs shall be verified by invoice.
- B. For services that are provided by the Company at costs, cost shall include labor, materials, other charges incurred, and overhead not to exceed 10%. However, prior to any such service being provided, the estimated cost of such service will be provided by the Company to the customer. After review of the cost estimate, the customer will pay the amount of the estimated cost to the Company.
- C. In the event that the actual cost is less than the estimated cost, the Company will refund the excess to the customer within 30 days after completion of the provision of the service or after Company's receipt of invoices, timesheets or other related documents, whichever is later.
- D. In the event the actual cost is more than the estimated cost, the Company will bill the customer for the amount due within 30 days after completion of the provision of the service or after the Company's receipt of invoices, timesheets or other related documents, whichever is later. The amount so billed will be due and payable 30 days after the invoice date. However, if the actual cost is more than five percent (5%) greater than the total amount paid, the customer will only be required to pay five percent (5%) more than the total amount paid, unless the Company can demonstrate that the increased costs were beyond its control and could not be foreseen at the time the estimate for the total amount paid was made.

PART TWO
STATEMENT OF CHARGES
WATER SERVICE

I. CROSS-CONNECTION CONTROL

A. Purpose.

The purpose of this tariff is to protect Livco Water Company's ("Company") water supply in the Company's water system from the possibility of contamination of contaminants that may be present on the customer's premises by requiring the installation and periodic testing of backflow-prevention assemblies pursuant to the provisions of the Arizona Administrative Code ("A.A.C.") R14-2-405.B.6 and A.A.C. R18-4-115.

B. Requirements.

In compliance with the Rules and Regulations of the Arizona Corporation Commission ("Commission") and the Arizona Department of Environmental Quality ("ADEQ"), specifically A.A.C. R14-2-405.B.6 and A.A.C. R18-4-115 relating to backflow prevention:

1. The Company may require a customer to pay for and have installed a backflow-prevention assembly if A.A.C. R18-4-115.B or C applies.

2. A backflow-prevention assembly required to be installed by the customer under Paragraph 1 of this tariff shall comply with the requirements set forth in A.A.C. R18-4-115.D and E.

PART TWO
STATEMENT OF CHARGES
WATER SERVICE

3. Subject to the provisions of A.A.C.R14-407 and 410, and in accordance with Paragraphs 1 and 7 of this tariff, the Company may terminate service or may deny service to a customer who fails to install a backflow-prevention assembly as required by this tariff.

4. The Company shall give any customer who is required to install and/or test a backflow-prevention assembly written notice of said requirement. If A.A.C. R14-2-410.B.1.a. is **not** applicable, the customer shall be given thirty (30) days in which to comply with this notice. If the customer can show good cause as to why he cannot install the device within thirty (30) days, the Company or the Arizona Corporation Commission Staff may suspend this requirement for a reasonable period of time.

5. Testing shall be in conformance with the requirements of A.A.C. R18-4-115.F. The Company may require the customer to pay to have the backflow-prevention assembly tested as long as the Company does not require an unreasonable number of tests.

6. The customer shall provide the Company with records of installation and testing. For each backflow-prevention assembly, these records shall include:

- e. tester's name and certificate number.

7. In the event the backflow-prevention assembly does not function properly or fails any test and A.A.C. R14-2-410.B.1.a. exists, the Company may terminate service immediately and without notice. The backflow-prevention assembly shall be repaired or replaced by the customer and retested.

8. In the event the backflow-prevention assembly does not function properly or fails any test and A.A.C. R14-2-410.B.1.a. is **not** applicable, the backflow-prevention assembly shall be repaired or replaced within fourteen (14) days of the initial discovery of the deficiency in the assembly or its function. Failure to remedy the deficiency or dysfunction of the assembly, or failure to retest, shall be grounds for termination of water utility service in accordance with A.A.C. R14-2-410.

**II. INTERRUPTIBLE SERVICE; COMPANY'S LIABILITY
LIMITATIONS**

A. The Company will supply only such water at such pressures as may be available from time to time as a result of the normal operation of its water system. The Company will maintain a minimum water pressure of 20 p.s.i. and will not guarantee a specific gallon per minute flow rate at any public fire hydrants or fire sprinkler service. In the event service is interrupted, irregular or defective, or fails from causes beyond the Company's control or through ordinary negligence of its employees or agents, the Company will not be liable for any injuries or damages arising therefrom.

III. CURTAILMENT PLAN FOR LIVCO WATER COMPANY

ADEQ Public Water System Number: PWS I.D. # 01-018

Livco Water Company, ("Company") is authorized to curtail water service to all customers within its certificated area under the following terms and conditions listed in this tariff.

This curtailment shall become part of the Arizona Department of Environmental Quality Emergency Operations Plan for the Company.

The Company shall notify its customers of this new tariff as part of its next regular schedule billing after the effective date of the tariff or no later than 60 (60) days after the effective date of the tariff.

**STATEMENT OF TERMS AND CONDITIONS
WASTEWATER SERVICE**

D.	Deposit Requirement per Rule R140-2-603B ⁹	
1.	Residential customer	\$40.00
2.	Non-residential customer	\$40.00
3.	Deposit Interest	6.0%
E.	Charge for NSF Check per Rule R14-2-608E ¹⁰	\$25.00
F.	Deferred Payment Finance Charge, per month ¹¹	1.50%
G.	Late Payment, Per Month, per Rule R14-2-608F	\$5.00 ^{12 13}

⁹ The Company does not normally require a deposit prior to the provision of service. However, if the service is not in the property owner's name, this deposit is required. Also in the event service is disconnected due to nonpayment, this deposit may be required.

¹⁰ This charge shall not apply if wastewater service is paid with the same NSF check used to pay for water service for which a NSF fee is charged.

¹¹ Deferred payments for wastewater service are only available if established in connection with deferred payments for water service under PART ONE, III(I) of this tariff.

¹² This charge shall not apply if the customer has arranged for a Deferred Payment Plan.

¹³ Bills for utility services are due and payable when rendered. Any payment not received within fifteen (15) days from the date the bill was rendered shall be considered delinquent and subject to the termination policy set forth in the Company's rate tariff. All Late Payment Charges shall be billed on the customer's next regularly scheduled billing. If the customer fails to pay the Late Payment Charge by the due date on the next billing, the customer will receive a ten (10) day termination notice. If the customer does not pay the Late Payment Charges by that date the service will be terminated. Service shall be terminated only for that service for which the customer is delinquent or is in violation of other Tariff or Rule provisions. All customers whose service is terminated for failure to pay the Late Payment Charges are subject to the Company's reconnection charges set forth in the Company's tariff.

PART FOUR

**STATEMENT OF TERMS AND CONDITIONS
WASTEWATER SERVICE**

I. CUSTOMER DISCHARGE TO SYSTEM

A. Service Subject to Regulation

The Company provides wastewater service using treatment and collection facilities that are regulated by numerous county, state and federal Statutes and Regulations. Those Regulations include limitations as to domestic strength wastewater and the type of wastewater that may be discharged into the system by any person directly or indirectly connected to the plant.

B. Waste Limitations

The Company has established the permissible limits of concentration as domestic strength wastewater and will limit concentration for various specific substances, materials, waters, or wastes that can be accepted in the sewer system, and to specify those substances, materials, waters, or wastes that are prohibited from entering the sewer system. Each permissible limit so established shall be placed on file in the business office of the Company, with a copy filed with the Commission. No person shall discharge, or cause to be discharged, any new sources of inflow including, but not limited to, storm water, surface water, groundwater, roof runoffs, subsurface drainage, cooling water, or polluted industrial process waters into the sanitary sewer. The Company will require an affidavit from all commercial and industrial customers, and their professional

engineer, stating that the wastewater discharged to the system does not exceed domestic strength.

C. Inspection and Right of Entry

Every facility that is involved directly or indirectly with the discharge of wastewater to the Treatment Plant may be inspected by the Company as it deems necessary. These facilities shall include but not be limited to sewers; sewage pumping plants; all processes; devices and connection sewers; and all similar sewerage facilities. Inspections may be made to determine that such facilities are maintained and operated properly and are adequate to meet the provisions of these rules. Inspections may include the collection of samples. Authorized personnel of the Company shall be provided immediate access to all of the above facilities or to other facilities directly or indirectly connected to the Treatment Plant at all reasonable times including those occasioned by emergency conditions. Any permanent or temporary obstruction to easy access to the user's facility to be inspected shall promptly be removed by the facility user or owner at the written or verbal request of the Company and shall not be replaced. No person shall interfere with, delay, resist or refuse entrance to an authorized Company representative attempting to inspect any facility involved directly or indirectly with a discharge of wastewater to the Treatment Plant. Adequate identification shall be provided by the Company for all inspectors and other authorized personnel and these persons shall identify themselves when entering any property for inspection purposes or when inspecting the work of any contractor.

PART FOUR

**STATEMENT OF TERMS AND CONDITIONS
WASTEWATER SERVICE**

All transient motor homes, travel trailers and other units containing holding tanks must arrive at the Company's service area in an empty condition. Inspection will be required of said units prior to their being allowed to hookup to the wastewater system.

D. Termination of Water Service for Violation of Wastewater Rules and Regulations

The Company is authorized to discontinue water service to any person connected to both its water and sewer systems who violates the Company's wastewater terms and conditions as set forth in this PART FOUR or in any way creates a public health hazard or the likelihood of such a public health hazard. This termination authority does not apply to non-payment for water or wastewater services.
