Re: Inmark, Inc.
Docket No. T-03372A-97-0255

Dear Mr. Crocker:

DOCKETED BY	<i>sd</i>
-------------	-----------

On March 21, 2001, Joan Sells contacted you requesting additional information regarding the above matter. That letter stated:

On May 16, 1997, Inmark, Inc. filed an application for a CC&N to provide intrastate telecommunications services in the State of Arizona. On October 27, 2000, Staff sent to you a letter requesting additional information. On March 9, 2001, you filed numerous Affidavits of Publication, however, you have not yet addressed the remaining informational requests in Staff's October 27, 2000 letter. Additionally, your application indicates that you intend to provide statewide service.

Additionally, due to processing guidelines in determining financial viability, Staff can review financial statements that are no more than nine months old. To that end and in order for Staff to finalize its review of the company's application, please file statements that are dated no more than nine months prior to the date you submit the remaining publishing affidavits.

To date, this information has not been received. Please mail an original plus 10 copies to: Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If a response is not received within **30 days** of this letter, this file will be administratively closed. If the application is terminated, the Applicant cannot provide the same telecommunications services in Arizona for which it is currently applying, until such time as a new application is filed with and approved by the Commission.
