RE: Retail Service Certificate of Enron Energy Services, Inc.

Docket Control Officer:

By this letter, Enron Energy Services, Inc. (EESI) requests that the Arizona Corporation Commission (ACC) cancel the certificate of EESI to do business in the state of Arizona as an Electric Service Provider, effective immediately. The certificate was issued on August 25, 1999 by the Arizona Corporation Commission in Decision #61873.

EESI does not currently serve any retail electric customers in Arizona and has no plans to do so in the future. There are no retail customers in Arizona that will be affected by cancellation of the EESI certificate in Arizona by the ACC.

Thank you for your consideration.

Sincerely,

Harry Kingerski
Vice President – Regulatory Affairs
