comments will be taken on the first day of the hearing.

You may have the right to intervene in the proceeding. If you do not want to intervene, you may appear at the hearing and make a statement on your own behalf. Intervention will be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission. Such motion should also be sent to the Companies or their counsel and to all parties of record, and must, at the minimum, contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Companies or the e.spire Entities, a stockholder of the Companies or the e.spire Entities, a competitor, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Companies and the e.spire Entities or their counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene in the hearing matters must be filed on or before August 12, 2002. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any person or entity from appearing at the hearing and making a public statement, or from filing written comments in the record of this proceeding.

If you have any questions about this application, or want information on intervention or the filing of written comments, you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, AZ, 85007 or call 1-800-222-7000.
