T-03411A-02-0450 – Completion of Transaction

Dear Sir or Madam:

On June 19, 2002, ACSI Local Switched Services, Inc., d/b/a e.spire (“ACSI Switched”), and American Communication Services of Pima County (“ACSI Pima County”), d/b/a e.spire (together, the “e.spire Operating Entities”); and Xspedius Management Co. Switched Services, LLC (“Xspedius Switched”) and Xspedius Management Co. of Pima County, LLC (“Xspedius Pima County”) (together, the “Xspedius Operating Entities”), by their attorneys, filed an Application with the Arizona Corporation Commission (“Commission”) regarding the transfer of substantially all of the assets, including the customer contracts, of the e.spire Operating Entities to the Xspedius Operating Entities and the discontinuance of telecommunications service by the e.spire Operating Entities in the State of Arizona. This Application was approved on August 23, 2002. The Commission authorized Xspedius Switched to provide competitive facilities-based and resold local exchange and exchange access telecommunications services on August 23, 2002, in Docket No. T-04112A-02-0452 and Xspedius Pima County to provide competitive facilities-based and resold local exchange and exchange access telecommunications services on August 23, 2002, in Docket No. T-04112A-02-0451, as necessary to serve the former customers of the e.spire Operating Entities in Arizona.

This letter is to advise the Commission that the transaction that was the subject of the Application is complete. The Xspedius Operating Entities currently are serving the former customers of the e.spire Operating Entities in Arizona. At this time, the e.spire Operating Entities no longer are providing telecommunications service to customers in Arizona, and understand that their authorizations and tariffs will be cancelled accordingly.
