AZ CORP COMMISSION
 DAVID WATER ASSOCIATION

On April 29, 2002, St. David Water Association ("Applicant" or "Company") filed an application to cancel its Certificate of Convenience and Necessity ("Certificate") and to sell its assets to the St. David Domestic Water Improvement District ("District"). If the application is granted, the District would be the provider of water service to the territory served by the Applicant. The Commission may consider the application without a hearing, unless a hearing is requested by a party to the proceeding.

The application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona or in Tucson at 400 West Congress Street, Suite 218, and at the Company's offices, 112 West Patton Street, St. David, Arizona.

As a property owner or customer you may have the right to intervene in the proceeding and request a hearing. If you do not want to intervene, you may make oral or written comments by contacting the Commission at the above addresses. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written notice to intervene with the Commission, which motion should be sent to the Applicant or their counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Applicant, a shareholder, member of the Applicant's board, etc.)
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before July 19, 2002. In the event intervenors wish to request a hearing, such request shall be made no later than August 1, 2002. Failure to intervene will not preclude any customer from making a statement on such customer's own behalf. However, you will not receive any further notice of the proceeding unless requested by you.

If you have any questions or concerns about this application or have any objections to its approval, or wish to make a statement in support of it, you may write the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007 or call 1-800-222-7000 or appear at the hearing and make comment.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format by contacting Shelly Hood, ADA Coordinator, voice phone number 602/542-0838, E-mail shood@co.state.az.us. Requests should be made as early as possible to allow time to arrange the accommodation.
