Arizona Corp. Commission-

Are we being punished for living in Gold Canyon? It's inconceivable that our sewer rates would increase from \$35.00 to \$70.00 per month. Rates should be charged depending on water usage, not everyone uses the same amount of water.

Some of us are on a fixed income paying double would be a hardship. Hopefully someone on the ACC will see that it is not acceptable for Gold Canyon residents to pay double for sewer use when towns around us are paying for less than \$35.00.

Again I ask are we being punished for living in Gold Canyon?
