AZ CORP COMMISSION
DOCUMENT CONTROL

Dear Sir:

The proposed doubling of the sewer rate by the Gold Canyon Sewer Co. is a total disregard for the customers of their service. They have provide no improvement or additional service to justify any rate increase at all. Any regulated company needs to justify such actions on their part. The company has stated that the recent modifications would not cause an increase in rates. If the company has justification for their proposal if would seem more fitting that any increase proposed be based upon an inflation rate standard. Their appears to be no reasonable basis for their action. I urge you and your fellow commissioners to reject their proposal of doubling their current rate. Thank you for your consideration of this communication.
Sincerely.

Harlan L. Scherer [REDACTED] Gold Canyon, AZ 85218
