Re: Johnson Utilities, L.L.C.

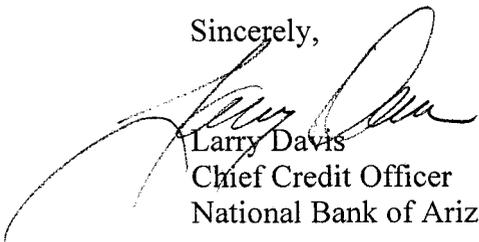

Dear Mr. Johnson:

Johnson Utilities asked National Bank of Arizona to comment on a bank issued Irrevocable Standby Letter of Credit (L/C) vs. a Performance Bond. Due to the simplicity of an L/C, my comments will be brief and to the point;

- The instrument is Irrevocable.
- Partial draws are allowed.
- Draws are allowed if recipient feels competitive water and wastewater services are not provided.
- The L/C is automatically renewable, unless the bank by certified mail notices recipient, 30 days prior to maturity, that the L/C will not be renewed.

This communiqué is for information purposes only and is not intended to amend or alter the terms and/or conditions of the original Letter of Credit being discussed. Should you have any questions concerning the simplicity of this instrument please contact me directly at 602-212-5440.

Sincerely,

Larry Davis
Chief Credit Officer
National Bank of Arizona
