DOCKET: T-20398A-06-0346**

Please make sure each numbered item and each part of the item is answered completely. In order for Staff to continue with its review of this application, the following information must be submitted:

- STF 1.1 Please explain why Navigator filed separate CC&N applications to provide Resold Long Distance, Resold Local Exchange and Facilities-Based Local Exchange services in Arizona.
- STF 1.2 Does Navigator have any objection to the consolidation of Dockets: T-20398A-05-0551 and T-20398A-06-0346?
- STF 1.3 Does Navigator intend to offer only Business local exchange services? If "no", please clarify why the tariff submitted as part of (A-9 & Attachment B) does not contain residence service information.
- STF 1.4 Section 3.5.1.E in Navigator's tariff contains a Maximum rate "To Change from Residence to Business". Please explain this service and charge since Navigator's tariff does not appear to include the provision of residence service.
- STF 1.5 Section 1.8 of the tariff in Attachment B states "The Company will not require a deposit from its business customers." Please clarify why the Company's tariff should not be changed to agree with the statement submitted in (A-15) "Navigator does not collect advances, prepayments, or deposits from its customers."
- STF 1.6 Please explain how the maximum rates contained in the Attachment A tariff compare to those of Navigator's key competitors specifically in the areas of (1) Basic Local Exchange Service and (2) Directory Assistance.
- STF 1.7 Please explain how the returned check fee in Section 1.7 compares to that charged by Navigator's key competitors.
- STF 1.8 Please update "Response to Attachment A-11" with information from April 30, 2006 Through May 31, 2006.
- STF 1.9 Please provide notes and/or explanatory information for the financial statements in Attachment D.
- STF 1.10 Please provide the information for full years 2003 and 2002 comparable to information already provided in Attachment D.
