CERTIFICATE OF FILING OF  
REVISIONS TO TEMPORARY SERVICE  
TARIFF, TARIFF NO. TS-275

Arizona Water Company, an Arizona public service corporation, (the "Company") pursuant to the provisions of A.R.S. §40-367, tenders for filing with the Commission its revised Tariff No. TS-275, Temporary Service.

By way of background, Tariff No. TS-275 was approved by the Commission on December 17, 2004 in Decision No. 67516. The Company created Tariff No. TS-275 in order to have a specific temporary service tariff to set forth particular terms and conditions for the provision of temporary service to inform customers of the specific customer requirements, and the Company's responsibilities concerning temporary service.

In this filing, the Company is submitting proposed revisions to Tariff TS-275, which revisions are marked pursuant to A.R.S. §40-367D. The purpose for these revisions is to clarify the Company's ability to interrupt temporary service from public fire hydrants during specific limited times for the protection of public safety and health.

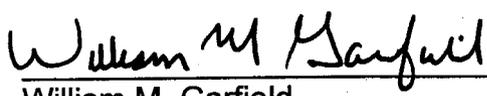

The Company respectfully submits that the revisions to Tariff No. TS-275 are in the public interest, and requests that Tariff No. TS-275, as revised, be approved to become effective thirty (30) days following the date of this filing.

1           Copies of revised Tariff No. TS-275 will be open to public inspection at the  
2 Company's offices during regular business hours upon the filing of this certificate.

3           IT IS HEREBY CERTIFIED that on May 17, 2006, Arizona Water Company  
4 tendered for filing in the Commission's Docket Control Division an original and thirteen  
5 (13) copies of its revised Tariff No. TS-275 showing an effective date of thirty (30) days  
6 after the date of initial filing with the Commission, all in accordance with A.R.S. §40-367.

## TEMPORARY SERVICE

### **AVAILABILITY:**

In all cities, towns and unincorporated areas in which the Company provides water service where facilities of adequate capacity and pressure are available for the provision of temporary service.

### **APPLICATION:**

To water service which, in the opinion of the Company, is temporary in character, or is to be of limited duration. Also, water service which, in the opinion of the Company, is for operations of a speculative character, or which is to be provided to premises not improved with a structure of a permanent nature, is considered temporary service.

### **RATES, SERVICE CHARGES AND FEES:**

Except as herein otherwise provided, the water rates, service charges and fees for temporary service shall be the same as those prescribed for permanent service established under the Company's tariffs applicable to water rates, service charges and fees.

### **ESTABLISHMENT OF TEMPORARY SERVICE:**

If no undue hardship to its existing customers would result therefrom, the Company will establish temporary service provided the applicant for such service pays to the Company in advance of water service establishment, the estimated cost of installing and removing all facilities necessary to establish the temporary service; and

1. Deposits a sum of money equal to the estimated bill for water service where the duration of temporary service is to be less than one (1) month, or
2. Satisfies the Company's deposit requirements for permanent service where the duration of temporary service is to be more than one (1) month.

### **DISCONTINUANCE OF TEMPORARY SERVICE**

1. If at any time during the term of the temporary service, the character of the customer's operations changes so that, in the opinion of the Company, the customer should be classified as permanent, the applicable sections of the Company's Terms and Conditions For The Provision Of Water Service will apply and govern the disposition of the customer's payment to the Company of the estimated cost of installing and removing the temporary service.
2. If at any time during the term of the temporary service, the character of the customer's operations causes hardship to the Company's permanent customers, the Company shall have the right to discontinue temporary service to the customer, but will provide a thirty (30) day advanced written notice to the customer of the Company's intent to discontinue service. Temporary water service provided directly from public fire hydrants is subject to interruption or suspension without advanced notice during times of shortage, peak demands, low pressure, or other conditions determined by the Company, in its sole discretion, to have the potential to adversely affect the safety and health of the Company's permanent customers or the general population.

**TERMS AND CONDITIONS:**

Except as herein otherwise provided, water service under this tariff is subject to the Company's Tariff Schedule TC-243 and SC-252.
