AZ CORP COMMISSION
DOCUMENT CONTROL

To: Members of Arizona Corporation Commission,
Reference Docket T-02532A-03-0039

I am a property owner and future homeowner in the Rio Verde area, which is presently in the "No Service Area". I am requesting approval that, extended are service (EAS) be approved to The Granite Mountain Exchange. This would be most beneficial for the community in the area.

Thank you for your support.

Sincerely,

David Simms
