Docket No. T-01051B-02-0666

Dear Mr. Sorrels:

Thank you for taking the time to express your opinion on the proposed Qwest/Dex sale. I have placed your letter in the Commission docket's so that it will become part of the official record.

This matter should come before the Commissioners within the next few months. Your concern about the correct imputation amount will be the subject of much scrutiny during our deliberations.

Unlike the state legislature or city council, the Commission is a quasi-judicial body, which requires me and the other Commissioners to follow strict set of rules and procedures. We make our decisions based on evidence and testimony contained in the official record. That's why it is important that citizens participate in the Commission's proceedings.

Thank you for sharing your viewpoint with me.

Very truly yours,
