Re: docket control reference W02353A-03-05-07 Park Water Co. Inc.

Dear Sir or Madam:

Please be advised that the amended propose rate of approximately \$5.50 per 1000 gallons will cause me undue hardship. My wife and I are living on a fixed income .We feel the emergency was caused by Ms O Connor inexperience in running a water system during the 3 years I have lived in the area and her complete reliance on a part time unreliable employee. I and other residents have constantly warned her of the potential problems over the years.
