RE: Staff's Second Set of Data Requests to Santrac Technologies Inc.
Docket No. T-04126A-02-0583

Dear Mr. Sanders:

On August 1, 2002 Santrac Technologies, Inc. ("Santrac") filed an application for a CC&N to provide telecommunication services in the State of Arizona. This data request lists the information Staff needs to complete its analysis of your application. Please treat this, as Staff's second set of data requests to Santrac in the above-referenced matter.

For purposes of this data request set, the words "Santrac", "Applicant", "the Company", "you", and "your" refer to Santrac Technologies, Inc. and any representative, including every person and/or entity acting with, under the control of, or on behalf of Santrac Technologies, Inc. For each answer, please identify by name, title, and address each person providing information that forms the basis for the response provided.

These data requests are continuing, and your answers or any documents supplied in response to these data requests should be supplemented with any additional information or documents that come to your attention after you have provided your initial responses.

Please provide Docket Control with the information being requested within **60 days** of the date of this letter. Mail an original plus 16 copies to Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If no response is received, Staff will recommend that the application be terminated. If the application is terminated, the Applicant cannot provide the same telecommunications services in Arizona for which it is currently applying, until such time as a new application is filed with and approved by the Commission.

STAFF'S SECOND SET OF DATA REQUESTS TO
SANTRAC TECHNOLOGIES, INC.
DOCKET NO. T-04126A-02-0583

Arizona Administrative Code rule R14-2-1106(A4) states that the Commission may deny certification to any telecommunications company which does not possess adequate technical competency to provide the proposed services. SanTrac's technical competency cannot be determined based on the information submitted in the application. Because if this, Staff is requesting that Santrac provide information pertaining to the following:

1. Please detail how SanTrac is capable of carrying out the technical functions of a reseller of local telecommunications services.
2. Please detail the time and training necessary to carryout each function.
