Below correspondence received as an add-on to petition filed in complaint #53275 (Herbert McCoy) opposed to rate increase.

Docket #SW-02519A-06-0015

We are Montesa residents only a few months of the year and still pay \$31.84 per month year round whether or not we are there and using our sewer. Not fair!!

---

Your letter regarding the Gold Canyon Sewer Company ("GCSC") rate case will be placed on file with the Docket Control Center of the Arizona Corporation Commission ("Commission") to be made part of the record. The Commission will consider your comments before a decision is rendered in the GCSC application.

The concerns raised in letters received from customers will assist the Commission in the investigation and review of the rate application. The Commission's independent analysis of the utility and its rate request attempts to balance the interest of the utility and its customers.

Commission Staff is very sensitive to the burden that high utility rates can place on the consumer, and though constitutionally required to allow a fair return to the utility, does everything within its authority to protect the consumer.

Staff appreciates your comments and the interest taken on the proposed rate increase. If you should have any questions relating to this issue, please contact me directly at [REDACTED] or toll free within the state at (800)222-7000.

Sincerely,  
Trish Meeter
