Re: Docket # W-01654A-05-0845
Requirement # 4

Dear Mr. Johnson:

Farmers Water Co. is requesting a one year extension of the 4th Requirement of Docket W-01654-05-0845.

Reasons:

1. The following subdivisions, totaling about 700 lots, are completed, or will be completed, in the year 2006: Madera Highlands, DeAnza Links II, Sahuarita Highlands, La Vista Garden Homes.
2. Three new wells will come on line in 2006.
3. The results of water use in 2006 will not be indicative of a normal year.
4. Farmers Water Co. feels 2007 water use will be a more normal representation of Farmers Water Co's yearly activity.

Sincerely,

FARMERS WATER CO.
