Dear Consumer Services,

We are writing to oppose the application of the Gold Canyon Sewer Company for an increase in its rates for wastewater service.

Under the company's proposal, our residential bill for wastewater service would increase from \$35.00 per month to \$70.34, which is a 100% increase in our bill. That is an outrageous increase for an already costly service and we do not support this application.

Please take our concerns into consideration and do not approve this rate increase for the Gold Canyon Sewer Company.

Thank you for your consideration of our comments.

Sincerely,

Scott A. Wilson Angela C. Wilson
