8"	100.0	\$300,000.00

Special Conditions

- Assessment of One Time Charge:** This charge may be assessed only once per Service Connection, or residential lot within a platted subdivision (similar to meter and service line installation charges). However, this provision does not exempt from this charge, any newly created parcel(s) resulting from further subdivision of a lot or land parcel and which do not have a Service Connection.
- Time of Payment:**
 - In the event that the Applicant is required to enter into a Main Extension Agreement, payment of the charges required hereunder shall be made by the Applicant when operational acceptance is issued for the on-site water facilities constructed to serve the improvement.
 - In the event that the Applicant is not required to enter into a main extension agreement, the charges hereunder shall be due and payable at the time the service line and meter installation charge is due and payable.
- Failure to Pay Charges: Delinquent Payments:** Under no circumstances will the Company set a meter or otherwise allow service to be established if the Applicant has not paid in full all charges as provided by this Rate Base Reduction Charge.
- Rate Base Reduction Charge:** This charge shall be in addition to any costs associated with a main extension agreement for on-site facilities, and are in addition to the amounts to be paid pursuant to charges authorized under other tariffs or other agreements.
