The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene in the proceedings and participate as a party. Intervention shall be permitted to any person entitled by law to intervene and having direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission and send such motion to the Company or its counsel and to all parties of record, and which at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g. a customer of the Company, a shareholder if the Company, a competitor, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except

that all motions to intervene must be filed on or before September 1, 2006. The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. You will not, however, receive any further notice of the proceeding unless you requested by you. Please check with the Commission for any changes to the scheduled hearing date.
