My name is Chance Anderson and I am a business owner in Golden Valley Arizona. I am writing this letter in support of the new development by Rhodes Homes off of Aztec Road.

As a business owner I am extremely interested in seeing the economy of the area increase. One of the ways would be to get more people excited about moving into the area. The development in Golden Valley would do just that. I have done some research and from what I can tell Rhodes Homes has done their homework. The planned community would be just that, PLANNED!

I urge the Commission to pass any measures that would allow Rhodes Homes to start construction. It is time for this community to benefit from the awesome growth in Arizona.

There are many of us in the community that feel this way. We want and need the new growth in the area.

Thank you for your time.
