Dear Commissioners,

SW-20379A-05-0489

W-20380A-05-0490

My name is Steve Galner and I own Angels Restaurant in Golden Valley Arizona. I have lived in the area for 15 years. My restaurant, I am proud to say, is one of the local hangouts in the area. We serve approximately 300 to 400 people everyday.

The big buzz in the area is the new construction by Rhodes Homes off Highway 68. I would like you to know that myself, as well as many of my customers support this new construction. The money that would be put into the economy would help with many of the issues we now face in the area. As a community we need new ideas and business in the area and this new growth is the only way to make it happen.

I know that there are several issues that are in front of the commission. I urge you to pass all of these issues so that Rhodes Homes can get started on their planned community.

I know there is some opposition, but I will let you know that the majority of people in the area want this to happen.

Please pass all the issues so that we can enjoy the positive affects of growth.

Sincerely,

**Steve Galner
