Re: Docket Number T-20443A-06-0112, Decision No. 68828

Enclosed for filing are an original and thirteen copies of the initial Sprint Long Distance, Inc. Interexchange Telecommunications Services, Arizona Tariff C.C. No. 1.

The tariff incorporates changes to definitions as recommended by Mr. John Bostwick in his Memorandum dated August 2, 2006. As the Company has not established mechanisms for assessing and processing customer deposits, reference related to deposits in Section 4.8 has been deleted. Upon establishment of deposit requirements, the Company reserves the right to submit tariff revisions in compliance with provisions in the Arizona Administrative Code. The attached tariff, which is otherwise identical to the illustrative tariff initially provided with the application for certification, should replace in entirety the original tariff that was submitted in compliance with Decision No. 68828. Consequently, the attached tariff reflects the same issue and affective date as did the originally submitted tariff.

If you have any questions regarding this filing, please call me.

Sincerely,

Greg Griffle
