Winter Hours

Peak hours beginning October 16 and continuing through April 15 shall be 6:30 a.m. through 10 a.m. and 6 p.m. through 9:30 p.m., Monday through Friday. All other hours Monday through Friday, and all day Saturday shall be off-peak

Sundays and Holidays

All Sundays and New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving and Christmas shall be off-peak for the entire day.

Minimum Bill

The minimum bill for single-phase service shall be \$11.40 per month up to 15 kV A of transformer capacity. Over 15 kV A of transformer capacity will be charged at \$1.50 per kV A or fraction thereof Payment of the minimum kV A charge shall entitle the member in all cases to the use of the number of kilowatt hours corresponding under the appropriate rate schedule and the service availability charge, excluding any billings made under the Wholesale Power Rate Adjustment Clause.

Tax and Assessment Charge

Billing under this schedule will be increased by an amount equal to the sum of all Federal, State, County, Municipal and other governmental levies, gross receipts, license fees, and other impositions of similar character assessed on the basis of gross revenue of the Cooperative and/or the revenue from the electricity or services sold and/or the kilowatt hours of electricity generated or purchased for sale and/or sold hereunder. In case an increase in rates of existing taxes of this character or addition new taxes, licenses or fees based upon generation, distribution, purchase, and/or sale of electric power current or energy shall be imposed upon or required to be paid by the Cooperative, the rates herein may be increased by a surcharge equal to the amount of the cost per kWh, or per consumer, or per demand, capacity, or other applicable unit of charge for such new or additional taxes, licenses or fees.

Wholesale Power Rate Adjustment

The rates are subject to the imposition of any wholesale power adjustment that may be established and approved for billing by the Arizona Corporation Commission from time to time under their established procedures.

Meter Readings

All meter readings and billings shall be based on actual meter readings. Meter readings and billings will be made as closely as practical on the same day of each month on a cycle basis. Meter readings shall be scheduled for periods of not less than 25 days or more than 35 days.

Terms of Payment

Billing made under this rate schedule will be due and payable upon receipt and past due ten (10) days from the date the bill is mailed. Service will be subject to disconnect in accordance with the Cooperative's collection policy.

Rules and Regulations

Service charges, collection policy, standard rules and regulations of the Cooperative, as filed and approved from time to time, shall apply where not inconsistent with this rate schedule. Service availability charge and/or monthly minimum may be increased to prove economic feasibility for any service requiring new line construction in excess of Cooperative's established free distance.
