Honorable Ms. Bjelland:

21 July 2006

I would first like to apologize to your court for not being at the 10 July 2006 hearing, I take these hearings and actions as serious, and I have been at every meeting so far. The reason for us not being present was that we were not notified of the 10 July date.

At the previous hearing, we were given the dates for submitting our "statements", and then told that there would be a hearing sometime within the week of 10-14 July 2006, and that we would be notified of the exact date. We never received a notification, nor did Michael Higgs office, our Attorney. It was not until late in that week that I contacted the Commission offices wondering why we had not heard anything about the meeting date. At that time we were told that we had missed the meeting and it had been held on Monday 10 July.

It seems strange that we did not get the required notification, since then we have received copies of the Qwest filing and Arizona Court Reporting has sent us the minutes of the 10 July meeting. This would mean that the addresses "on record" were correct.

In the minutes of the 10 July hearing there was a question that you wanted to ask us. If you could provide us this question, we will be happy to incorporate the answer in our filings that are needed for the upcoming hearing.

Thank you very much for your time,

Wayne Markis

C/c Ms. Maureen Scott
