1. APPLICATION OF TARIFF

This tariff contains the regulations and rates applicable to the provision of Long Distance Telecommunications service and Prepaid Calling Card service (the "Services") by Motion Telecom, Inc. (hereinafter referred to as the Company), in the State of Arizona as specified in Sections 3.1.1(a) and 3.2.1(a). Services are furnished subject to transmission, atmospheric and like conditions.

2. REGULATIONS

2.1 Undertaking of the Company

2.1.1 Scope

The Company undertakes to provide the Services in accordance with the terms and conditions set forth in this tariff.

2.1.2 Shortage of Facilities

All Services are subject to availability of suitable facilities. The Company reserves the right to limit the length of communications or to discontinue Services when necessary because of the lack of local facilities or other transmission medium capacity or because of any causes beyond its control.

2.1.3 Limitations of Liability of the Company

Except as stated in Section 2.1.3, the Company shall have no liability for damages of any kind arising out of or related to events, acts, rights or privileges contemplated in this tariff.

2.1 Undertaking the Company (Cont'd)

2.1.5 Provision of Equipment and Facilities

The Company shall not be responsible for the installation, operation or maintenance of any Customer-provided communications equipment. Where such equipment is connected to the Services furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of Services under this tariff and to the maintenance and operation of such Services in the proper manner. Subject to this responsibility, the Company shall not be responsible for:

- (1) the through transmission of signals generated by Customer-provided equipment or for the quality of, or defects in, such transmission; or
- (2) the reception of signals by Customer-provided equipment; or
- (3) network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

2.2 Prohibited Uses

The Services shall not be used for any unlawful purposes.

2. REGULATIONS (Cont'd)

2.3.3 Liability of the Customer(Cont'd)

All other claims (including, without limitations, claims for damage to any business or property, or injury to, or death of, any person) arising out of any act or omission of the Customer, or the Customer's agents, Customers, in connection with any service or facilities or equipment provided by the Company.

The Customer will be liable for damages to the facilities of the Company and for all incidental and consequential damages caused by the negligent or intentional acts or omissions of the Customer, its officers, employees, agents, invitees, or contractors where such acts or omissions are not the direct result of the Company's negligence or intentional misconduct.

2.3.4 Credit Requirements and Deposit Information for Long Distance Services

Any Customer determined to be "high risk" for poor credit history requires a minimum deposit, which varies.

If the Company has disconnected a Customer's Services, the Company may request that Customer to pay in advance for any of the Services based on a good faith estimate of traffic volumes. At the Company's discretion, a deposit of three (3) month's average estimated call volume may be required and may be reimbursed upon establishing prompt payment history.

3. REGULATIONS (Cont'd)

2.3 Obligations of the Customer (Cont'd)

2.3.3 Credit Requirements and Deposit Information for Long Distance Service  
(Cont'd)

The Company handles complaints regarding transmission or network problems immediately via "trouble tickets" issued to the underlying Local Exchange Carriers and InterExchange Carriers. The Company follows up with Customers to insure the problems have been corrected. Problems stemming from charges or credits owed are also handled during regular business hours. All Customers may reach The Company through our toll free line 1-800-864-4306. Should Customers feel they have been overcharged or misrepresented and have documented proof of rates offered, the Company will credit all overcharges. The Company will make reasonable efforts to honor all rates. If it is determined the rates offered are unreasonable and / or unprofitable, The Company may pay the charges to convert the Customer to their previous carrier.

The Company practices "standard" rate programs for all customers. In the event the Company was to provide a "non-standard" rate program, the Company would file an additional tariff in the appropriate state in which the Customer does business or resides and any other applicable states.

2.4 Use of Service

Long Distance Telecommunications Service may be used to transmit communication of the Customer in a manner consistent with the terms of this tariff and the policies and regulations of the Federal Communications Commission and state public utilities commissions, as applicable.

2. REGULATIONS (Cont'd)

2.4 Use of Service (Cont'd)

Use of Long Distance Telecommunications Service is considered an order for such Services.

The Customer shall be solely responsible, at its own expense, for Customer-provided equipment and services. The Customer shall be solely responsible for the overall design of its services and for any redesigning or rearrangement of its equipment or services that may be required because of changes in Company Services, operations or procedure, or changes in the minimum protection criteria or operating or maintenance characteristics of the Customer's equipment or services. The Company will provide reasonable notification to the Customer of any Company-initiated change that may require a change in Customer-provided equipment and services.

The Customer, authorized user, or joint user is responsible for ensuring that Customer-provided equipment connected to network equipment and facilities is compatible with such equipment and facilities. The magnitude and character of the voltage and currents impressed on Customer-provided equipment and wiring by the connection, operation or maintenance of such equipment and wiring shall be such as not to cause damage to the Company-provided equipment and wiring or the Customer-provided equipment and wiring, or injury to the Company employees or to other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense. The Customer shall provide the personnel, power and space required to operate all facilities and associated equipment installed on the premises of the Customer.

The Customer shall be responsible for providing Company personnel access to premises of the Customer at any reasonable hour for the purpose of testing the facilities or equipment of the Company.

2. REGULATIONS (Cont'd)

2.4 Use of Service (Cont'd)

The signing of a service order by the Customer and acceptance by the Company initiates the respective obligations of the parties as set forth in this tariff. Should a customer use the Company's Services without a service order, the Company may require that the Customer execute a written service order within a reasonable time from the inception of service. Customers using the Company's Services without an executed service order agree to comply with the general regulations and other provisions contained in this tariff.

2.5 Customer Equipment and Channels for Long Distance Services

2.5.1 Interconnection of Facilities

- (A) Interconnection between Customer-provided and Company-provided service must be made by the Customer by leased channel or dial-up service. Where interconnection between Customer-provided and Company-provided service is not made by lease of Company facilities, interconnection must be made by the Customer at the Company's operating offices. Leased channels from the Company for Long Distance Telecommunications Services are not covered by this tariff.
  
- (B) In order to protect the Company's facilities and personnel and the Services furnished to other customers by the Company from potentially harmful effects, the signals applied to the Company's Services shall be such as not to cause damage to the facilities of the Company. Any special interface equipment necessary to achieve the compatibility between facilities of the Company and the channels or facilities of others shall be provided at the Customer's expense.

2.5 Customer Equipment and Channels for Long Distance Services (Cont'd)

2.5.2 Inspections

- (A) The Company may, upon notification of the Customer, at a reasonable time, make such tests and inspections as may be necessary to determine that the requirements regarding the equipment and interconnections are being complied with in the installation, operation and maintenance of Customer-provided equipment and in the wiring of the connection of Customer channels to Company-owned facilities.
  
- (B) If the protective requirements in connection with Customer-provided equipment are not being complied with, the Company may take such action as necessary to protect its facilities and personnel and will notify the Customer by registered mail in writing of the need for protective action. In the event that the Customer fails to advise the Company within ten (10) days after such notice is received, or within the time specified in the notice, that corrective action has been taken, the Company may take whatever additional action is deemed necessary, including the suspension of Services, to protect its facilities and personnel from harm. The Company will, upon request 24 hours in advance, provide Customer with a statement of parameters that the Customer's equipment must meet.

2. REGULATIONS (Cont'd)

2.6 Payment Arrangements

2.6.1 Payment for Services

The Customer is responsible for payment of all charges for facilities and Services furnished by the Company. Federal, state and local sales, use and excise taxes, where applicable, shall be added to the charges contained herein. It shall be the responsibility of the Customer to pay these taxes and to accept the liability of any such unpaid taxes that may subsequently become applicable retroactively.

2.6.1.1 Long Distance Services

- (A) Most Customers are billed monthly on a net 15 or net 30-day cycle. If the Customer's net bill is not paid (payment received by the Company) within thirty (30) days after the invoice date listed on the bill, it shall become a delinquent bill and interest at the highest rate allowed by law per month shall accrue upon any unpaid amount. In some cases, including Dedicated Long Distance Services, Customers may be required to pay for these Services in advance. If the Company initiates legal proceedings to collect any amount due hereunder, and the Company substantially prevails in such proceedings, then the defendant Customer shall pay the reasonable attorneys' fees and costs of the Company in prosecuting such proceedings and appeal therefrom.
- (B) Online billing is available for all rate plans. There is no monthly service fee assessed to customer accounts utilizing online billing.
- (C) The Customer will be assessed a charge of twenty-five dollars (\$25.00) for each check submitted by the Customer to the Company which a financial institution refuses to honor for insufficient funds or non-existent account.

3. REGULATIONS (Cont'd)

2.6 Payment Arrangements (Cont'd)

2.6.1.1 Long Distance Services (Cont'd)

- (D) Customers are responsible for any previously unbilled charges for Services furnished prior to three months immediately preceding the date of the bill, except for collect calls, credit card calls, third party calls and "Error File" calls (those which cannot be billed due to the unavailability of complete billing information to the Company) which shall have a six-month back billing period. In case of fraud, a back billing period of no more than three years will apply.
- (E) Customers may be required to sign agreements for a minimum twelve-month term agreement for certain Long Distance rate plans. Penalties and cancellation fees will be assessed if Services are terminated prior to the term expiration dates agreed upon.

2.6.2 Discontinuance of Service for Cause

Upon non-payment of any sum owing to the Company for more than 30 days beyond the date of rendition of the bill for service or upon violation of any of the terms or conditions governing the furnishing of service under this tariff, the Company may, after 24 hours advance notice in writing to the Customer, without incurring any liability, discontinue the furnishing of Services under this tariff.

These restrictions on Long Distance Telecommunications Services may include, but are not limited to, the following: The Company may withhold the use of a specific 800 number or deny its transfer to another carrier for nonpayment of charges due as specified in 2.6.1 "Payment for Services" preceding. Such action may be taken without written notice being sent to the Customer. Upon payment of charges in full by the Customer, this restriction on the use of a specific 800 number will be removed.

2. REGULATIONS (Cont'd)

2.6 Payment Arrangements (Cont'd)

2.6.3 Prepaid Calling Card Services

A Prepaid Calling Card Service account is decreased only for a completed call. Station busy signals and unanswered calls shall not be considered completed calls and shall not be charged against the account.

A surcharge will not be levied more than once on a given call.

Domestic rates and surcharges will be disclosed at the time of purchase.

Upon verbal or written request, the Company will provide the following call detail data information at no charge:

- a) Dialing and signaling information that identifies the inbound access telephone number called;
- b) The number of originating telephone;
- c) The date and time the call originated;
- d) The date and time the call terminated;
- e) The called telephone number;
- f) The PIN and/or account number associated with the call.

The Company will maintain call detail data records for at least two years.

2.7 Definitions

Access Line: A transmission path that connects a Customer premise to a Local Exchange Carrier's Central Office.

Call: A completed connection established between a calling station and one or more called stations.

3. SERVICE OFFERINGS

3.1 Intrastate Long Distance Telecommunications Service

3.1.1(a) Description of Services

Intrastate Long Distance Telecommunications Service consists of the furnishing of switched and dedicated telephone service between points within the State of Arizona. Interstate Long Distance Telecommunications Service consists of the furnishing of switched and dedicated telephone service between points within the United States Mainland; and between the Mainland and Alaska and Hawaii, Puerto Rico, U.S. Virgin Islands and Guam. Such services are available twenty-four (24) hours a day, seven (7) days a week.

The Company maintains its headquarters in Englewood, Colorado.

3.1.1(b) Explanation of Rates For Intrastate Long Distance Telecommunications Service

The rates for the Company's Intrastate Long Distance Telecommunications Service will depend on the length of the call. Rates are "flat" rated and apply to all contiguous Arizona and contiguous U.S. calls regardless of distance. Non-mainland U.S. calls are charged by destination and are also "flat" rated. The following Rate Schedule in Section 4 represents the maximum applied rate for all Services.

Rates do not change based on the time-of-day or the day-of-week that calls are made.

3 SERVICE OFFERINGS (Cont'd)

3.1 Intrastate Long Distance Telecommunications Service (Cont'd)

3.1.1(c) Operator Service

The appropriate per minute rate as described in Section 4 will apply plus a call placement charge added to the first minute of each call as shown in Section 4. An operator- dialed surcharge will be applied, if necessary.

3.1.1(d) Class of Service

The Company provides the following classes of Services:  
Direct Dial  
Toll Free Service

The Business Cents Plan and the Penny Plan have one year terms with a ninety (90) day advance notice prior to end of term. If no notice is given, the plans automatically renew for an additional one year term. Early termination penalties will be based on the monthly minimum charges multiplied by the number of remaining months on the contract.

Dedicated Service. Dedicated Service is a heavily discounted service for large-volume users of long distance and is used by business Customers only. Rates are described in Section 4.

3 SERVICE OFFERINGS (Cont'd)

3.1 Intrastate Long Distance Telecommunications Service (Cont'd)

3.1.1(d) Class of Service (Cont'd)

Calling Card. Calling Card Service is provided to Customer for access to intrastate, interstate and international calling by dialing a Toll Free number and entering a Customer specific access code. Rates are described in Section 4.

Toll Free Miscellaneous Services

Toll Free Vanity Numbers -All Toll Free numbers generated as a result of a customer request for specific numbers.

Toll Free Directory Assistance Listings – Listing a Toll Free number in the National Toll Free Directory.

Account Codes - Codes that users can assign in association with whatever they want to track their long distance usage against, such as a project, a department, a division or a customer. When a long distance call is dialed, the caller must enter the code before the call can be completed. Account codes provide users with the ability to track usage for all long distance calls and provide security for all locations. Account codes are one to five digits in length and are always entered after the telephone number that the caller is dialing. Verified account codes are always validated in the network before the call is allowed to complete. Unverified account codes are not validated in the network before the call is allowed to complete.

3 SERVICE OFFERINGS (Cont'd)

3.1 Intrastate Long Distance Telecommunications Service (Cont'd)

3.1.1(d) Class of Service (Cont'd)

Prepaid Calling Card Services - Prepaid calling cards provide customers with the ability to prepay for long distance calling cards, which are utilized to place calls to both domestic and international locations.

Prepaid Calling Card Services are billed in sixty (60) second initial increments and sixty (60) second additional billing increments.

The prepaid calling cards are measured in minutes or units depending on the type of card purchased. Balances will be reduced and depleted based upon usage.

A verbal warning is provided to the caller when the amount of units remaining on the card reaches a certain level. A call will be disconnected upon depletion by Customer of all available units on the card. The acquisition of a card will entitle the Customer to make calls from the time of purchase until the card balance is either depleted or until the card expires, whichever, occurs first.

Calls must originate in a U.S. Territory and do not support International origination. Cards cannot be used to place 700, 900, or 976 number calls. Prepaid calling cards cannot be used to place certain toll-free, operator-assisted, third party billed, or collect calls.

Prepaid calling cards expire ninety (90) days from the date of activation. Once a card expires or is depleted, the card no longer holds any value. Prepaid calling cards are non-returnable, non-refundable, and non-rechargeable.
