Re: Fox Communications Corporation - Docket No. T-04177A-03-0199

Dear Mr. Lebrecht:

Pursuant to our conversation this morning, Fox Communications Corporation ("Fox"), by its regulatory consultants, hereby provides supplemental information in response to the second interrogatory in *Staff's First Set of Data Requests* ("Staff's Data Requests") in the above-captioned proceeding. In addition to providing telecommunications services in Washington and Oregon, Fox has been granted intrastate operating authority to provide resold telecommunications services in the States of California, Michigan, New Jersey, North Dakota, and Pennsylvania, and anticipates receipt of intrastate operating authority in more than six states within the next month.

Thank you for your attention to this matter. Please do not hesitate to contact me if you have additional questions.

Sincerely,

MILLER ISAR, INC.
