CRUSH RIDICULOUS FLUSHING FEES!!!

Mr. Morton and Commissioners:

This letter is regarding the Gold Canyon Sewer/Algonquin Power Income Fund's proposed 100% increase to \$70 per

month. ..GCWWTF Case Docket No. SW-02519A-OO-0638. It is difficult to comprehend how any company can justify the current \$35 per month when surrounding communities are paying under \$20 per month. I/We find this proposed increase ludicrous as many Gold Canyon residents are retired and living on fixed incomes.

Furthermore, this Community was promised by former management that there would be no further increases after the 2003 increase you granted to Gold Canyon Sewer.

It seems perhaps that Algonquin Power Income Fund may have "over" invested a hefty sum to expand their out-dated facilities and "to attempt" the correction of local unpleasant odorous situations. But--does this give them right to take advantage of a situation where we have no other alternative??? The answer to this questions is "NO"! There are still odor issues & we shouldn't have to pay for their expansion to a sewer system they chose to over-extend!!!! Your attention to this matter is appreciated.
