Dear Sir:

Under no circumstances should the AUBREY WATER CO. be allowed to raise any of its rates.

They should not be allowed to raise rates on customers that remain hooked up to the system but have no water usage but continue to pay the minimum monthly fee to remain hooked/up in case they have future need.

Instead this AUBREY should get off its BUTT and provide service for the surrounding areas and thereby increase their revenues. This would help the people who now have to haul their water using their tanks, trucks and fuel.

Your's truly  
Ralph K. Bucher
