RE: Request to add State Trust land to a service area

Dear Mr. Garfield:

On May 5, 2006, you notified the Arizona State Land Department of your application to the Arizona Corporation Commission (ACC) to add portions of Sections 4, 5, 6, 7, 18 & 19, of Township 6 South, Range 9 East and portions of Sections 14, 15, 16 & 17 of Township 6 South, Range 8 East to your certificated area. Portions of these sections are State Trust land, consisting of 2820.82 acres.

After considering comments from within the agency, it has been determined it is in the best interest of the State Trust land to be included in a certificated area for water delivery. However, we wish to remain neutral as to who the water provider should be for this land, so we leave the decision on the holder of the certificated area to the ACC.

If you have any questions, please contact Cynthia Stefanovic, Water Rights and Agriculture Section at (602)542-2669.

Sincerely,

A handwritten signature in cursive script, appearing to read "Mark Winkleman".

Mark Winkleman
State Land Commissioner
