Dear Ms. Guss:

As you are aware, Arizona Reporting Service, Inc. is sending via overnight mail (for arrival on Friday, May 9, 2003) three volumes of transcripts from a hearing that was conducted recently at the Arizona Corporation Commission. It is my understanding that you will place these transcripts on your Public Documents shelf for viewing by the public.

The transcripts are the property of Citizens Communications Company, UniSource Energy Corporation, and Arizona Reporting Service, Inc. Members of the public shall be limited to photocopying no more than twenty (20) pages for each transcript volume, and no copying for commercial or future reproduction is permitted under the contract between the Commission and Arizona Reporting Service.

We appreciate your assistance in placing these documents for public viewing in your library.

Sincerely,

Dwight D. Nodes  
Assistant Chief Administrative Law Judge
