Re: Application by Operator Services Company for authorization to provide Alternative Operator Services, Docket No. ~~U-2612-91-175~~ T-02612 A-91-0175

Dear Ms. Wightman:

On May 24, 1991 the Arizona Corporation Commission established Docket No. U-2612-91-175 to review Operator Services Company's application for authorization to conduct business as an Alternative Operator Service (AOS) in Arizona. To date, this agency has not received sufficient information to finalize the review of your application.

Unless this office is provided written notice within thirty (30) days from date of this letter of Operator Services Company's intention to provide AOS in Arizona and all required information to complete the review process, we will administratively close the above named docket. Such closure will have no adverse impact on any other certificate or pending application.

Sincerely,

Jim Fisher
