To Whom It May Concern:

I would like to express my support for Rhodes Homes in Golden Valley Arizona.

As a member of the Chamber of Commerce and a resident of Golden Valley, it is critical that we look for ways to improve our community. We are a small city that deals with poverty, crime, and lack of jobs on a daily basis. I ask you, why we would not want a master planned community like this in our area.

Rhodes Homes will bring with them prosperity and hope for the future of our town. With a development like this, we will be the home to many new families, and the potential for new business and industry is amazing. There are many in the community that feel the same way I do and I urge you to pass any and all measures to allow Rhodes Homes to start construction.

This is a "Golden" opportunity for Golden Valley. Please help to make it a reality. We want Rhodes Homes in our community.

Sincerely,

Nicky Granniss
