Re: Seven Canyons Water Company, Seven Canyons Water Treatment  
Company; Docket Nos. W-03388A-03-0150 AND SW-03389A-03-0150

Dear Mr. Bozzo:

Pursuant to our conversation this morning, attached hereto are tariff sheets for Seven Canyons Water Company and Seven Canyons Water Treatment Company (collectively "Seven Canyons"). As you are aware, the rates and schedules for Seven Canyons were approved in Decision No. 60718 (March 23, 1998). The order also required the companies to file tariff sheets by March 31, 1998.

Please also consider this letter as a request for a retroactive extension to comply with the tariff filing requirements of Decision No. 60718. Because Seven Canyons is currently seeking an extension of its certificate of convenience and necessity (CC&N), and because Decision No. 60718 requires compliance with general filing requirements contained therein for the CC&N to remain valid, Seven Canyons has made its retroactive extension request in the above-referenced dockets for purposes of administrative efficiency and judicial economy.

Should you have any questions, please do not hesitate to call. Thank you for your time and consideration in this matter.

Very truly yours,

Patrick J. Black
