RE: Docket No. T-01051B-02-0535 et al.

To The Commission:

The Procedural Order issued on the 25<sup>th</sup> of March, 2003 in the above cited matter orders that a representative from Midvale Telephone attend a subsequent procedural order to be held in April. Although Midvale is willing to participate, we believe that the information of interest to this matter will be submitted by April 15<sup>th</sup>, 2003 to the Commission under Docket T-02532A-03-0017.

Should the information provided by Midvale as part of our application proceeding not fully respond to questions raised under this docket, please contact our attorney, Conley Ward (208-388-1219) to schedule his participating in the procedural hearing. I will most likely be out of the country when the hearing takes place, and I believe Mr. Ward can adequately respond to any further questions in this matter.

Sincerely,

Karen J. Williams
