PROCEDURAL ORDER

BY THE COMMISSION:

On September 30, 2005, the Arizona Corporation Commission ("Commission") issued Decision No. 68190 which approved the applications of Cave Creek Water Company ("Company" or "Applicant") for extensions of its Certificate of Convenience and Necessity ("Certificate") to provide public water utility service to Parcel Nos. 216-29-0024 (Parcel 216) and 211-99-006 ("Parcel 211") in Maricopa County, Arizona. As a condition of the Commission's approval, the Company was to file copies of the main extension agreements between the Company and the respective developers of Parcels 216 and 211 by September 30, 2006.

On September 29, 2006, the Company filed a Motion requesting a 30-day extension, until October 30, 2006, in order to file a copy of the Company's main extension agreement with the developer of Parcel 211 and a 90-day extension, until December 30, 2006, to file a copy of the Company's main extension agreement with the developer of Parcel 216. The Company requested these brief extensions due to delays in completing the agreements with the developers.

Accordingly, the Commission's Utilities Division ("Staff") or any interested party should file their Response to this Motion by no later than October 13, 2006.
