Dear Ms. Woodall,

During the December hearings in the La Paz case, you asked me to send copies of AZURE witness Steve Radis's testimony regarding ammonia transport risks to various public safety officials in La Paz County. I did so, but neglected to cc you. My apologies. Copies of the transmittal letters are attached. I understand you had reiterated this request to Mr. Vieregg earlier today.

Thanks, and please call if you have any questions.

Sincerely,

  
Mark Wolfe
