To Whom It May Concern:

I would like to take this opportunity to express my support for Rhodes Homes.

I understand that there is a hearing later in the month that would decide that fate of a water facility for the development. I request that you vote in favor of the above docket numbers. This kind of development is a long time coming for this community.

There have been questions about water for years and years and years, and that did not stop the growth in this area. Let's make it planned growth and utilize the water we have to it's maximum capacity. We all realize that the wonderful state of Maricopa gets some of our water. Why not keep some of it for our use.

I ask that you for your support.

Sincerely,

Arizona Corporation Commission
