Dear Commissioners:

There is a proposal that will be in front of you at the end of the month concerning Rhodes Homes. I want to extend my support to Rhodes Homes and the development they are doing in Golden Valley.

I have lived in the area for quite a while and a planned development like this is a must for those of us that want to stay in this area.

This development will only bring Mohave County a community that it deserves. We need and want this smart growth plan. The growth will happen anyway, why not let it be planned and done in a beautiful way.

As a voter, I urge you to support Rhodes Homes.

Thanks for your time,

Georgano Wajterspiel
