Dear Chairman Jeff Hatch-Miller and Commission Members:

Re: Docket # SW-20379A – 05-0489
Docket# W-20380A – 05 – 0490

Rhodes Homes has been a member of the Kingman Area Chamber Of Commerce since moving to our community in October 2005.

Since this time they have become a part of the community. They have generously donated to many organizations and programs in the community including a summer youth mural project which has not only enhanced the looks of the community but has also given many youth the opportunity to spend their summers doing projects of interest to them.

Rhodes homes sub-divisions seem to be filling a need in our community and will create future positive economic development for Kingman.

Sincerely,

Beverly J Liles
President/CEO
Kingman Area Chamber Of Commerce
