Dear Commission:

I live in Kingman and would like to let you know that I support the development in Golden Valley by Rhodes Homes.

We have been waiting for a very long time on something of this caliber for our community. We ask that you pass the CC&N as soon as possible so they can start construction.

With so many new families moving into the area, everyone wants affordable good quality homes. I feel that's what the new development will be.

Please take my feelings into consideration when you vote on the next two motions before you.

Thanks for your time and I look forward to your positive vote!

Sincerely,

Sunil Patel
