Arizona Corporation Commission:

I want you to know that I live in Kingman and have been to see the model homes at the Rhodes Homes development in Golden Valley, AZ. I was very impressed with the homes he is building as well as the other plans he has for the entire development. These homes will provide affordable housing for people in a beautiful master planned community.

This development will greatly add to the Golden Valley and Kingman areas. It will draw people and jobs into our area which will increase our economy and our community as well.

Therefore, I would like to ask you to look at and to vote in favor of docket numbers SW-20379A-05-0489 and W-20380A-05-0490.

Sincerely,

Joanne E Moore
