Dear Commissioners:

This letter is in regard to the upcoming meeting regarding Rhodes Homes.

I am a supporter and would like to ask you to vote in favor of the CC&N. Our community has been long over due for a beautiful planned community like the one planned for Golden Valley.

My family has lived in the area for many years and we want and need progress like this. It is my understanding that Rhodes Homes is following all the guidelines for the CC&N. Why would you not vote for this planned progress?

I hope you will take my letter into consideration and vote in favor of what I and many of my friends think is great progress for this area.
