**Dear Commissioners:**

**I have lived in the Kingman Golden Valley area for 10 years. During that time I have seen our community expand and grow with new business and many new residents.**

**There are plans for a new development by Rhodes Homes in Golden Valley. I would like to extend my support for this new planned community. At this time there is nothing else like it in Mohave County, and a well planned development would help ease the every expanding growth in our area.**

**I urge you to approve the CC&N so this community can become a reality.**

**Thank you for your time.**
