To whom it may concern:

There are many of us in the communities of Kingman and Golden Valley that want Rhodes Homes to start their construction.

The growth is going to happen and we might as well benefit from a Master Planned Community. The homes are great quality and from what I have read Rhodes Homes has gone out of the way to please the commission.

Please pass the two issues before you at this time. Let's get going, we want the growth!

Sincerely,
