I recently read an article in the Kingman Daily Miner stating that there is once again another hearing about Rhodes Homes in Arizona.

I would like to state my SUPPORT for this new development. There are many of my neighbors that want to buy in this planned development. I urge you to pass the motions in the hearing and give them the CC&N so they can start construction.

It is time for something like this to come to our area. It is time that we enjoy the benefits that our water gives Phoenix and Las Vegas planned communities.

Please support all the residents that want this community.
